## PENSACOLA BEACH ELEMENTARY SCHOOL

## **APPLICATION FOR ADMISSION 2024-2025 SCHOOL YEAR**

Pensacola Beach Elementary School (PBES) is a charter school, therefore, it is a school of choice. Charter schools allow parents to choose between free public school alternatives. Children who reside on Pensacola Beach have the option of attending A.K. Suter Elementary, their home-zoned Escambia County School in Pensacola, Florida or the charter school option, Pensacola Beach Elementary School, Pensacola Beach, Florida.

## NOTE: Due to class size limitations, on-island students are not guaranteed enrollment at PBES.

**Non-residents:** Children who live off the island have the choice to attend the school for which their home is zoned, or if there is space available they may attend Pensacola Beach Elementary School. If your child is an off-island applicant, please refer to our enrollment policy available on our website under pbes.org/enrollment.

## Please submit your student application either via fax to 850-934-4040 or via email to the Office Manager, Jennifer Magee at: jmagee@pbes.org
